Scott

- Please create the following sheets for the typical. I use SR43 (22H0004A) as the example.

I:\25jobs\25H0003B_03\Admin\11-Plans\Redlines - JLB\Typical from STG2 PlansXsect 2100235 For Roadway Services.pdf
I:\25jobs\25H0003B_03\Admin\11-Plans\Redlines - JLB\Patches from FT PlansXSect 2100235 for Contract Services.pdf

- Also, please create the Title and Index sheets.
- Once you get the MOT base sheets cut from the request last week, let me know so I can design the signage.

Thanks,
Jennifer

PS: I will be gone next week and back on Monday, March 9th
